**Schedule a good time to get together** for an On Location Photo Session. Ladies, after you have your hair and make-up finished we then scheduled for the best possible light depending on what time of the year.

We receive \$125.00 creation fees for a two hour session plus ca. taxes after the shoot, we pose you and make you feel comfortable in front of the camera, it's a very fun time. If you think we need additional time we charge \$125.00 creation fee for every hour after the first two.

We then post all of the best images to our web site for your viewing and selections. You can now purchase individual prints or choose to purchase the entire session on Image CD to be used with our permission how ever you want or \$35.00 per image. We then have your prints and/or Image CD send directly to you.

It takes approximately five business days after the shoot to edit and publish the images to our web site. It takes another five business days after we receive your payment to receive your order. We take checks, Pay pal and credit cards for payments we prefer order to be placed via Email.

Please ask about clothing recommendations.

If you or your models have specific idea about what you're shooting for, we are very accommodating; some of our clients have brought ideas from the internet and magazines.

If you are serious about creating a professional portfolio and are new to the modeling talent world; we recommend two or three session with us, our experience show us that the real magic happens after a few times out.

We also do modeling/talent DVDs to show case tear sheets, reels, commercials and of coarse our session with you, call us for more information about this exciding way to promote yourself.

Any questions please call or email us anytime.
